Söke, the largest town of Aydın is one of the value adding centers of Turkey with its historical and natural beauties as well as its cultural heritages and local tastes. Here are the richness of Söke worth seeing and experiencing...

Priene is one of the best preserved ancient cities of Turkey with its organized avenues and streets, buildings remained standing. One of the oldest accommodation units where urbanism and city planning had been implemented, the majority of the city has been revealed at the excavations performed for 200 years. Priene, consisting of technical details such as public buildings, family houses and grid city planning provides the most beautiful examples of antique period architecture.

ESKİ DOĞANBEY KÖYÜ

Eski Doganbey, known as Domatia in the past had become a village of Turks after settlement of immigrants of Balkans following the population exchange. The village exhibiting elegant samples of Greek and Turkish architecture resembles an open air museum today. The village converted into a natural cinema plateau due to the shooting of local – foreign TV series and movies is among the places that its visitors would like to see throughout the year.

DELTA OF GREATER MENDERES

Dilek Peninsula and Delta of Greater Menderes at its east host one of the oldest national parks of Turkey with its registration in the year 1966.

Delta is at the international characteristics contain with itself many lagoons and swamps as a result of rapid morphological changes at the mouth part of it.

This lagoon system where fresh water and salty water mixes up contain a rich biological diversity within.

BAFA LAKE NATURAL PARK

Natural Park containing more than 200 species of birds with itself provides a natural beach to its visitors where they can swim and also gives various opportunities such as hiking, doing photo safari, camping, line fishing, botanic tour and bird watching. Ancient port Loniapolis of the lake known as Latmos Bay in the history is now submerged. The lake with a 25 meters of depth in the deepest spot looks like a giant nature and archeology park.
